8776540646 Andy ask for public relations

REST STOP 5: Coordinates: N 34° 53.633' W 101° 22.244'

Miles from start: 52.6

Crew: Southwest Airlines Arrival time: 8:00 AM

Identifier: SAG stop; pull off shoulder area. This is a large dirt pull off area on the west (right) side of the road. You can also see a dirt road going up the hill just slightly to the south on the same side of the road. This location is IMMEDIATELY before beginning the descent down into the canyon. There is a road grade sign here.

REST STOP 6: Coordinates: N 34° 50.069' W 101° 25.258'

Miles from start: 58.1 Arrival time: 8:30 AM

Crew: Zachry Engineering

Identifier: This is a large dirt pull-off area at the bottom of the canyon on Hwy. 207 on the west (right) side of the road. There is a gate identifying "Red Rock Ranch." Set up SOUTH of the gate. Gate should not be blocked. There is plenty of room.

REST STOP 7: Coordinates: N 34° 47.526' W 101° 26.557'

Miles from start: 61.6

Crew: Texas Militia Arrival time: 9:00 AM

Identifier: Top of hill in graveled shoulder curve on west (right) side of 207. Same as last year (was rest stop 6 last year). This is also lunch.

REST STOP 8: Coordinates: N 34° 47.580' W 101° 32.882'

Miles from start: 72.4

Crew: Sam's Club Arrival time: 9:30 AM

Identifier: This is just west of where 285 dead ends and turns west (left) at Wayside. The rest stop is located at the town gas station—a blue-gray building also known as Watson Oil Co. Stamped event post cards are available here. When rest stop closes please deliver post cards to the gas station or the home next door and they will mail them.

REST STOP 9: Coordinates: N 34° 48.428' W 101° 42.277'

Miles from start: 81.3

Crew: Valero Arrival time: 10:00 AM

Identifier: Entrance to Ceta Canyon, on the northeast shoulder of 285.

REST STOP 10: Coordinates: N 34° 51.165' W 101° 50.856'

Miles from start: 92.4

Crew: Shelly McCullar & Friends Arrival time: 10:30 AM

Identifier: South side shoulder of Lawrence Rd (Where I-27 and frontage road meet), directly east of the TxDOT parking area.

END: FUBC

Coordinates: N 34 ° 58.934' W 101 ° 54.195'

Miles from start: 102.1

Day 2

Start/Finish

Coordinates: N 34 ° 58.934' W 101 ° 54.195'

Rest Stop 1: Coordinates: N 34° 51.165' W 101° 50.856'

Miles from start: 23.76
